

ACCOMMODATION

Academic Hostel provides accommodation for exchange students (limited amount of places available). If interested, ask for a place while filling in the application form and pay a deposit.

EILC 2013/2014

Erasmus Intensive Language Courses (EILC) is an initiative to enable Erasmus students to adapt better in Estonia both socially and academically.

Application deadline for summer courses is 1st of June and for winter courses 31st of October.

More information: archimedes.ee/erasmus (EILC in Estonia).

ORIENTATION DAYS

At the beginning of every semester TUT organises Orientation Days for new students and gives information about academic and practical matters, TUT library and Sports Centre, possibilities to spend free time in Tallinn and TUT etc.

ESN TUT INTERNATIONAL CLUB

TUT IC tutors are happy, open-minded, friendly and helpful young people who are prepared to assist foreign students in all questions they might have: www.tipikas.ee/ic

ESN TALLINN

ESN Tallinn is a non-profit organisation that organises a variety of social events for all exchange students studying in Tallinn: www.esn.ee/tallinn/

EXCHANGE STUDIES
AT TUT
2013/2014

TALLINN UNIVERSITY OF TECHNOLOGY (TUT)

- Public university with over 90 years of strong academic background
- Second biggest university in Estonia with about 14 000 students from over 60 countries
- A university with three main educational cores – engineering, natural sciences and social sciences
- Best research library in engineering and business fields in Estonia
- Modern campus

DEGREE PROGRAMMES

TUT offers a wide variety of fully accredited degree programmes, which include both traditional and new fields of modern technology, social sciences, economics and business. Courses meet high academic standards and give a comprehensive overview of each field.

TUT offers programmes in Estonian, English and Russian. Exchange students are welcome to choose courses from all programmes available (adequate language skills required).

Thesis or project writing is possible only upon prior individual agreement with a supervisor at TUT. Exchange students cannot defend their thesis at TUT.

ECTS credit system is used at TUT.

INFORMATION ABOUT EXCHANGE STUDIES

VISITING STUDENTS (e.g. free-movers) - coming to TUT from other universities for a short period (one semester up to one academic year) outside of any cooperation agreements. Visiting students pay tuition fees (the fees differ by faculties).

EXCHANGE STUDENTS - students who come to study at TUT in the frames of bilateral agreements or exchange programmes (e.g. ERASMUS) for a period of one semester up to one academic year without paying the tuition fee.

CHOOSING THE COURSES

Exchange students may choose the courses from any level and programme (excl. Master courses in the field of economics, limited for Master students with adequate background).

APPLICATION DEADLINES:

Spring semester **November 15**
Autumn semester **May 15**

REQUIRED DOCUMENTS

Application form: www.ttu.ee/exchange.

Upload all following documents while completing the online application:

1. Learning Agreement
2. Transcript of Records
3. Certificate of English proficiency (at least B2 level required)
4. Copy of ID document (e.g. passport)
5. CV

All non-EU citizens need a temporary residence permit or long-stay (D) visa for studies in Estonia.
